

Minutes of the meeting of the committee of Cardiff University Ultimate Frisbee Club.
Evening of Monday 25th September 2006
Chair: Jack Maidment.

Present: Jack Maidment, Oswald Thakkar, Ian King, Chris Wagner, Chris Griggs-Trevarthen, Dan Wiseman, Gareth Michell and Thomas Davey.

Apologies: None.

Business:

1. Chairman welcomed all those present.
2. Discussion of disc price:
Committee settled on £8 by consensus
It was decided that the committee will not be getting discounts on the purchase of discs
3. Training times for coming year;
communicated to committee by Ian king:
Saturday training will now be from noon until 4 pm. This will be split as first team training from noon until 2 pm and open training from 2pm until 4pm.
Tuesday and Wednesday training times will remain as last year.
First training session will be Tuesday 3rd October.
4. Sports Fayre;
Gareth agreed to photocopy signup forms
Assorted discussion on stall contents
Agreed that university printer credit used in the production of materials for the sports fayre would be considered an expense claimable from the club budget.
5. Show game;
All present expected to be available.
Ian to attempt to rally support from the Cardiff Angels.
All to turn up at around 6:30 pm if possible.
6. Kit;
Suggestion to have separate first team kit not passed.
A proposal was made (but not voted on) to have an official second kit, proposed that this be Cardiff Geo team first shirts. It was suggested that players not be allowed to order this kit without already possessing (or having ordered) the regular blue kit.
7. Club membership fee;
Ian suggested that it be raised from the present £6
Jack proposed £8 which was not opposed.
8. Tournaments;
The club is presently entered into two tournaments:
Sheffield, 21/2 October. Beginners tournament, one team entered.
Southampton: 28/9 October. Beginners & experienced tournament, one team of each entered.
Mop to investigate specific rule regarding 'the pull' to be used at regionals.
9. First social;
General consensus fell on keeping socials to Wednesday evenings.
Oz proposed 'Chemistry' at Wish.
Wag to think.
10. Transport;
Ian to investigate minibusses
Whiz queried the £200 transport budget as being too small.
11. Discs;
Discussion of what proportion of the 100 in club possession to use. 50/50 was suggested.
Jack proposed to use as few as possible and reuse as many of last years discs as possible.
12. Club constitution;
Already exists, Ian to pass onto Gareth to pass onto Thomas.
13. Minutes;
Thomas to produce and bring to the next committee meeting for approval
14. Further meetings;
To be discussed at training and further meetings to be called when necessary.
